About Indian Concrete Institute (ICI)

Indian Concrete Institute, founded in 7th September, 1982, is the premier professional body for concrete technologists, with captains of industry, cement manufacturers, leading consultants, academicians, educational institutions and research scientists as active members. ICI has more than 11000 members attached to 30 centers spread all over the country. ICI encourages student participation and has 120 students' chapters with over 2000 student members. The major objectives are: spread of good construction practices amongst engineers & trade organisations, conduct conferences, workshops, seminars and training programs periodically. ICI has international collaborations with Asian Concrete Federation, Singapore Concrete Institute, Concrete Institute of Australia, etc. ICI publishes a quarterly journal containing peer-reviewed technical papers, and gives awards for various achievements every year during its Annual Meetings / Concrete Day Celebrations.

The nominations may be sent by post/mail to:

About UltraTech Cement Ltd.

UltraTech Cement Ltd. is the largest manufacturer of grey cement, Ready Mix Concrete (RMC) and white cement in India. It is also one of the leading cement producers globally. UltraTech as a brand embodies 'strength', 'reliability' and 'innovation'. The company has an installed capacity of 64 Million Tonnes Per Annum (MTPA) of grey cement. UltraTech Cement has 12 integrated plants, 1 clinkerisation plant, 16 grinding units and 6 bulk terminals. Its operations span across India, UAE, Bahrain, Bangladesh and Sri Lanka. UltraTech Cement is also India's largest exporter of cement reaching out to meet the demand in countries around the Indian Ocean and the Middle East. With its significant presence in grey and white cement, concrete, building products and building solutions, UltraTech is a one-stop shop for all primary construction needs. Its meteoric rise as the largest cement brand in India reflects the organisation's focus on cutting edge technology, research and technical services.

Dear Sir,

Sub: **ICI (CC) - UltraTech Awards 2015 - Call for nominations - Reg.**

Greetings.

Indian Concrete Institute Chennai Centre, ICI (CC), is inviting nominations for ICI (CC) - UltraTech Awards 2015 for various categories as mentioned below. The awards will be distributed during the 'Concrete Day' celebrations to be held on 07th Sep 2015. The award comprises of a Citation and a Plaque.

1. Outstanding Concrete Structure - Infrastructures / Buildings

- The structure should be in Tamilnadu
- It shall not be older than three years as on Concrete Day (07th Sep 2015)
- It shall have been built using concrete as one of the prime construction materials
- The structure shall have outstanding features either in design (both structural and architectural), or innovative construction methods or new concrete materials and large volume usage of concrete or all the above

2. Outstanding Concrete Engineer

- The Engineer should be a resident of Tamilnadu
- Should have worked for the cause of concrete and rendered significant contributions to the Research, Development and/or Application of concrete

3. Outstanding Young Concrete Engineer

- The Engineer should be a resident of Tamilnadu
- Should be less than 40 years of age
- Should have worked for the cause of concrete and rendered significant contributions to the Research, Development and/or Application of concrete

4. Outstanding Student Chapter

- The College should be located in Tamilnadu
- Should have conducted Technical activities/ seminars related to field of Concrete in the banner of ICI

5. Outstanding Thesis: Masters / Doctoral

- The student should have been awarded the relevant degree (Masters/ Doctoral)
- Thesis should have been submitted and adopted during the period 2012 to 2015
- The submitted thesis should be in the field of Concrete
- The institution should certify the originality of the thesis

6. Best Built Apartment / House

- Structure shall be constructed predominantly of Concrete
- Best quality control measures adopted, Innovative use of concrete in design & Construction should be mentioned explicitly.
- Drawings, Design, Photographs (Elevations from all sides, inside, outside views) in soft format and hard format to be enclosed.
- The structure shall not be more than 3 years old, as on Concrete day (07th Sep 2015).
- Construction should have been completed and the structure should be functional and in use.
- Nominations can be submitted by promoters, Builders, Consultants, Architects, Engineers, Government Departments, Contractors and Owners.
- Must be in conformance with Approval.

Please submit your nominations along with relevant particulars as per the enclosed format(s).

The nominations may be sent by post to: Indian Concrete Institute,

Ocean Crest, No 79, 3rd Main Road,
Gandhi Nagar, Adyar, Chennai - 600 020.

(or)

by email to:

icitnchennai@gmail.com

A committee of experts constituted by ICI (CC) will review the received nominations and recommend for the award. **The decision of the committee is final and binding.**

Last date for receipt of nominations is 15th August 2015

Thanking you,

Yours faithfully

Dr. K.P.Jaya

Chairperson, ICI Chennai Centre
